Please email your request to attend to Richard Stewart at [stewartwhale@ozemail.com.au](mailto:stewartwhale@ozemail.com.au)  
Details required include the training course that you wish to attend, either HLTAID001 or HLTAID003 together with your Name, Address, Phone Number and Email address.

Should enrollments numbers dictate, additional courses will be organised if required taking into account Covid-19 restrictions on numbers in the hall.

It is to be noted that both courses require candidates to bring personal ID and a USI Number (\* see below).

For the National Accredited Provide First Aid course there is an on-line or paper test of 40 questions requiring an 80% pass level, however the questions are repeatedly asked until correct, so it's not too difficult.

\* FEDERAL GOVERNMENT - Unique Student Identifier (USI) is your individual education identifier for life. It also creates an online record of your training attainments in Australia. If you are undertaking either nationally recognised training or a higher education qualification, you need a USI in order to receive commonwealth financial assistance, as well as to obtain your qualification or statement of attainment.
