

Pearl Beach 'Warrior' Bowlers Covid Cup Challenge Results - September 2021

Members of the Pearl Beach 'Warriors' bowling group took up the Covid Challenge of allowing two people at a time to undertake sporting activities. The challenge was in action over 8 weeks and culminated in an extremely competitive finale'.

The Pearl Beach tennis courts were pegged out in September 1980, and formation of the Pearl Beach Tennis Club commenced in April 1981. In November 1995 the bowling green was completed with monies loaned by members which were repaid the following year.

The Covid Cup Challengers, Tony Higgins, John Steinbeck, Andrew Cordwell, Duncan Bridel, Robert Lillico and more recently John Kennett enjoyed being outdoors as a positive contributor to mental health and are looking forward to the Covid lock down restrictions easing. The Pearl Beach Bowlers would like to see more members of the community, amateur or professional, both men and women, come along and enjoy this outdoor social activity.

A total of twenty five games were played for the Covid Cup and the overall winner Andrew Cordwell who scored the highest aggregate thanked his fellow Warriors for the friendly games with a great group of gentlemen a highlight of the week.

Photo shows Andrew in action.

End – Lynne Lillico, Pearl Beach Progress Association
