Neighbourhood Watch

There are four ways to report crime in NSW, depending on the nature of the information:

<p>1.</p> <p>000 Emergency</p>	<p>000 can connect you to Police, Fire or Ambulance, depending on your situation. Only dial this number if you want to report a crime in progress or if it is a life-threatening situation.</p>	<p>3.</p> <p>1800 333 000 Crime Stoppers</p>	<p>If you have information about a crime or criminal behaviour, then call Crime Stoppers on this toll free number. Crime Stoppers uses information that members of the public provide to solve crimes and catch offenders. You are guaranteed anonymity and confidentiality and, if your information leads to an arrest, you could receive a reward.</p>
<p>2.</p> <p>131 444 Police Assistance Line</p>	<p>You can call PAL to report minor crimes that have already been committed (crimes that are not in progress) and which do not involve traumatised victims or require urgent attention or attendance (eg. Steal from motor vehicle, stolen motor vehicle, graffiti, malicious damage, break and enters and minor motor vehicle accidents.)</p> <p>When you ring PAL, specially trained Customer Service Representatives will take the details of the crime, and make them available to local police through the police computer system for analysis and action if required.</p>	<p>4.</p> <p>4323 5599 Gosford Police</p> <p>4379 7399 Woy Woy Police</p> <p>4384 4822 (8am – 8pm) Terrigal Police</p>	<p>You can call or visit your local police station at any time to report a crime. Report a non life-threatening crime in progress.</p> <p>If you contact Terrigal police outside of these hours the call will automatically be transferred to Gosford.</p>
