

MALCOLM DAVISON

NOMINATION FOR THE POSITION OF **ORDINARY MEMBER** ON THE EXECUTIVE COMMITTEE OF THE PEARL BEACH PROGRESS ASSOCIATION (2023/2024).

My name is Malcolm Davison. With my wife, Vickii, we have owned our house in Pearl Beach for 26 years. I have been actively involved in the community during this time and am currently one of the two Vice Presidents.

From the start, I joined the Bush Care Group, and later the Dune Care Group as well. I am a member of the Pearl Beach Environmental Group, which is now a Sub Committee of the Progress Association, as well as being a member of the Progress Association's Hall Committee.

For many years I have been involved in the Pearl Beach Singers and their annual Glee Club performance. I have been the MC of the popular Christmas Carols each year in the Arboretum. I am also actively involved in the Art and Craft Group, assisting in organising and participating in the Artist's Walk around the village and the Art Hub in the Arboretum.

In recent years I have organised and conducted the Anzac Day service on the 25<sup>th</sup> April. I initiated the change to conducting this ceremony on the beach, with the sunrising over the water at dawn. This has been very well received.

For some years I have been on the Executive Committee (in fact I have served with 4 Presidents) and am keen to stand again, for the position of one of four Ordinary Members of the Pearl Beach Progress Association.
