

**Great Concert enjoyed at Pearl Beach Sunday 9 June 2024**

**Sunday 9<sup>th</sup> June**, at 2.30pm at the Pearl Beach Memorial Hall an enthusiastic audience enjoyed a fabulous afternoon with the '**Central Coast Troubadour Club**' who demonstrated they were a community built on the love of performing traditional and contemporary music, verse and homemade entertainment.

The crowd joined in singing and at times dancing spending an afternoon with some of the best folk and acoustic music performers seen in years. The Rhythm and Blues concert performed with heart and soul, old songs and new songs and some great spoken word providing real live music and good old bush poetry like it should be.

Proceeds from the concert toward the Pearl Beach Memorial Hall maintenance and upkeep.

The Troubadour Club perform on a regular basis across the Central Coast, check the link <https://www.trybooking.com/CRFUW>
